个人简历

Detail-oriented Procurement Professional with 9 years of experience in high-compliance global supply chains (Volvo, FCA). Expert in ERP-driven procurement operations, managing the full PR/PO lifecycle, and vendor administration for an annual spend of 700M SEK. Leveraging a statistical background to generate data insights and drive cost-saving initiatives. Professional fluency in English (IELTS 7.0).

工作经历

VOLVO CHINA

2019-01-01 -

Senior Buyer

1. ERP Operations: Manage end-to-end procurement for Occupant Safety Systems (Airbags/Belts) and Interiors using global ERP systems, ensuring accurate PR to PO conversion. 2. Compliance & Quality: Oversaw a 700M SEK annual spend, maintaining 100% adherence to corporate procurement policies and safety-critical quality standards. 3. Workflow Optimization: Coordinated with Finance and AP departments to resolve complex payment discrepancies and vendor profile issues. 4. Data Analytics: Led VA/VE activities achieving 4.8M SEK in savings by analyzing value streams and supplier performance metrics.

FCA (FIAT CHRYSLER AUTOMOTIVE)

2015-11-01 - 2019-01-01

Buyer

1. Vendor Selection: Managed competitive quotation processes for Chassis and Rubber systems, ensuring cost-effective sourcing for 4 major SUV launches. 2. Order Management: Tracked PO status and resolved supply chain disruptions to maintain 100% on-time delivery for production lines. 3. Reporting: Generated monthly procurement KPI reports using ERP analytics to support management decision-making.

SCHAEFFLER GREATER CHINA

2013-08-01 - 2015-11-01

Project Management / Engineer

Project Sourcing: Supported gearbox component localization projects, managing budget controls and milestone tracking for OEM clients (Geely, Ford).
